

Preferred Dental

Includes access to a national provider network

CareFirst BlueCross BlueShield (CareFirst) and CareFirst BlueChoice, Inc. (CareFirst BlueChoice)¹ offer Preferred (PPO) Dental coverage, which allows you the freedom to see any dentist you choose.

Advantages of the plan

- **Freedom of choice, freedom to save**—With Preferred Dental coverage, you can see any dentist you choose. However, this plan also gives you the option to reduce your out-of-pocket expenses by visiting a dentist who participates in our Preferred Provider network. It's your choice!
- **Comprehensive coverage**—Benefits include regular preventive care, X-rays, dental surgery and more. A summary of your benefits is available on the following page. (Additional coverage for orthodontia may be included—ask your benefits manager for details).
- **Nationwide access to participating dentists**—You have access to one of the nation's largest dental networks, with more than 95,000 participating dentists throughout the United States. Preferred Dental gives you coverage for the dental services you need, whenever and wherever you need them.

Three options for care

- **Option 1**—By choosing a dentist in the Preferred Provider Network, you incur the lowest out-of-pocket costs. These dentists accept CareFirst's allowed benefit as payment in full, which means no balance billing for you.
- **Option 2**—You can receive out-of-network coverage from a dentist who participates with CareFirst, but not through the Preferred Provider Network. Similar to Option 1, there is no balance billing. You are responsible for out-of-network deductibles and coinsurance, and also have the convenience of your provider being reimbursed directly.
- **Option 3**—You can receive out-of-network coverage from a dentist who has no relationship with CareFirst. With this option, you may experience higher out-of-pocket costs since you pay your provider directly. You can be balance billed and must pay your deductible and coinsurance as well.
