

Special Care Patient Program

Do you or a loved one suffer from a chronic medical condition?

Examples Include:

- Heart Conditions
- Chronic Diseases
- Metabolic Disorders
- Developmental Delay

Help our responders be more knowledgeable about your medical condition before they arrive to help you.

Process:

- Complete the Special Care Patient form
- Send form to: Specialcarepatients@stmaryscountymd.gov
- The Program Coordinator will provide you a patient number to use when calling for help
- While the providers are on the way, they will access your provided information to be better prepared to help you
