INTRODUCTION

The minutes of the St. Mary's County Commissioners provide significant insights into the administration of the county government and the concerns of county citizens. Copies of the minutes from 1931 to the present are available in the county. The most recent 10 years are held in the County Commissioner's Office. The remaining years are available at the St. Mary's County Records Center and Archives in the Leonardtown Branch of the St. Mary's County Memorial Library. The State Archives in Annapolis holds the original proceedings of the County Commissioners (1842-1916) as well as tax papers, correspondence, property schedules, pension papers, and assessment records.

This index concentrates of the activities and subjects discussed during County Commissioner meetings. Personal names are indexed when they appear as subjects. Names of individuals appearing before the Commissioners to give testimony during hearings and names of county employees are not usually included. References to county employees can be found under job titles, departments and the general heading "County Employees."

Index volumes are also available for the years 1931-1959 and 1960-1979.

As previously advised at the Commissioners' meeting of November 10, 1980, Mr. Norris stated he contacted a representative of General Services Administration and it appears that there will be no difficulty for the county to be reimbursed for any expenditures on this project prior to approval by the Board of Public Works.

Mr. Norris also indicated to the Commissioners that he was of the opinion that the County should provide the fire and vandalism insurance for the referenced construction project.

Commissioner Arnold moved, seconded by Commissioner Dean, to authorize Commissioner President Aud to sign said contract with Johnson Builders and further that the County provide the fire and vandalism insurance. All Commissioners voted in favor.

In addition, with regard to the Walden construction project, the fire marshal has requested the County to change the rating on the doors of the downstairs area. Therefore, Mr. Norris requested authorization for Commissioner President Aud to sign a change order in the amount of \$500 to change the fire rating as requested by the Fire Marshal.

The Commissioners gave their concurrence.

(Commissioner Sayre entered the meeting.)
