

Board Met

Feb. 4th. 1935.

Present

F. Harvey Bailey.
Clarence D. Bradburn
Wm. P. Wise.

The Board met on this date in compliance to a letter from the Federal Emergency Administration of Public Works, requesting the County Commissioners to complete a questionnaire on work projects in St. Mary's County.

After some discussion the projects listed on the attached questionnaire, were recommended to the Federal Emergency Administration of Public Works, and three copies of the questionnaire were forwarded to Mr. Abel Wolman, State Engineer of P.W.A. Baltimore, Md.

The Board adjourned to meet in regular session Feb. 12th 1935.

Geo. H. Smith -----Clerk.
