Board met at 10.00 A.M.

Minutes of preceding meeting read and approved.

C.B. Greenwell, Clerk and Francis D. Lawrence requested the Board to refund to Mr. Lawrence money paid for a beer license gotten in error, he having taken out a Liquor & Beer license also. The Clerk was instructed to pay to Mr Lawrence, from the Liquor & Beer License Fund, \$23.75, and stop license less fees.

Miss Lettie M. Dent, Superintendent of Schools asked the Board to take some action on the payment of the 51 cent school tax on certain certifications of the State Tax Commission upon which the Treasurer reports that he has unable to collect any taxes. Miss Dent reported that the State would hold up the County's share of the Equalization Fund for schools until the money it claimed is due from County taxes was paid to the Board of Education.

The Board instructed its attorney to ask the Attorney General for a ruling as to whether the County was obliged to pay over to the Board of Education 51 cents on all State Tax Commission certifications for Corporation personal property whether they were collectible or not.

Paul C. McElroy requested the Board to participate in an advertising campaign for St. Mary's County in the Washington Times-Herald. No action taken.

On the request of J. Julius Johnson, County Agent, the Board increased Mr. Johnson's salary \$100.00 per year, to start July, 1, 1941 and instructed the *clerk* to pay this amount ~~xxxxxx~~ on a monthly basis from the special account in Mechanicsville Bank of the County Trust Co. as no provision had been made in the levy for the coming year, for this increase.

Mr. Bernard W. Thompson, representing the White Point Citizens Association, requested the surfacing with oil of the White Point road, about 1 mile, 3rd Dist. Board decided it has no funds this year for oiling roads but would take under advisement the question of treating this road with calcium carbide to keep down dust. Mr Thompson asked to report.

Mrs Waring, of the Welfare Board asked the Board to provide \$40.00 per month additional to the regular amount provided for G.P.A. to match a like amount now available from State Funds. Taken under advisement. Mrs Waring asked to find out if the State would meet half of the amount (\$55.59) which this Board had paid out for G.P.A. direct at various times when the Welfare Board had no funds with which to aid needy cases.
