Mr. J. A. Gamble, representing the Tall Timbers Citizens Association, of 41 members, Requested the Board to accept into the County road system, for ~~max~~ maintenance, the roads in the Tall Timbers development, Mr. Gamble stated that there were a number of all year round ~~at~~ residents including some who are working on Government projects and that the U.S. Navy bus made regular trips over these roads to carry these people to and from work.

Mr. Thompson was present, and said he was familiar with the situation and recommended that the Roads be accepted into the County road system, about 1 mile, 2nd Dist.

Mr Gamble was authorized to have a survey made and deed for right-of-way prepared and recorded at their expense.

The clerk was instructed to write Mr. M. C. Thompson that the letter he had left with them from ~~the~~ R. B. Cummings & Co., Washington, D. Mr. Thompson asked to contact Capt. Will Clarke in regard to the proposed acceptance into the County road system of the road running from Ridge to Mr. Bayne's place, 1st Dist., and also to see that Capt. Clarke gets the fence posts that were promised him some time back. And also to contact Mrs French Drury about her complaint that cars were unable to pass without getting stuck on the County road from the Compton State road towards Gen. Peabody's place, 3rd Dist.
