

Board met at 10.20 A.M.

W. Paul Cecil
Present John E. Guy
Elmer R. Jarboe

Minutes of the preceding meeting read and approved.

Mr. Jas J. Baldwin, Architect for the proposed new jail and Jailor's Quarters, conferred with the Board in reference to the County's application to the Federal Works Agency for Federal funds to build the Jail, Jailors quarters and repair the Court House, as a war need. Mr Paul J. Bailey also conferred with the Board on the same subject and explained the method St. Mary's Hospital had used to get a war needs grant for an addition to ~~XXXXXXXXXXXXXXXXXXXX~~ the Hospital.

The Federal Authorities of the F.W.A. in Richmond, Va. were contacted by telephone and they suggested a plan for the County to raise ~~\$75000.00~~ and the F.W.A. would contribute \$56700, making a total of \$131700.00 which their engineers had figured would be necessary to complete the plans that had been submitted by the County; or as an alternative plan the F.W.A might contribute the whole amount and the Government take title to the necessary land and carry out the project with the Federal Government owning the project.

The Clerk was instructed to write Mr. Kenneth Markwell, Regional Director, F.W.A., Richmond, Va. that the County was unable to contribute any amount for the building of a jail etc. That no bonds could be sold, and that as the need for a new jail etc was caused entirely by Federal war work in the County the Federal Government should provide the money for this project.

That, if necessary, title to the land could be passed to the Government and it could own the new jail (It being understood that the County would operate it), and also to ask that the matter be treated as an emergency measure.
