W. Paul Cecil Present--- John E. Guy Elmer R. Jarboe

Minutes of preceeding meeting read and approved.

Mr. Compton Swann asked the Board how he could legally get rid of a neighbor's dog which had been killing his sheep. Mr. Swann was told that he could file a claim for damages with the Board, giving the name of dog owner, who would be billed for the amount of damages and unless he paid the bill the Sheriff would kill the dog.

Board directed it's attorney to write a letter to the local draft board and ask that Sheriff Howard V. Hammett's induction be deferred. Clerk' instructed to contact the Commissioners of Leonardtown and ascertain whether the town would be willing to have Joseph C. Cusic as a constable and pay him \$600.00 per year.

Mr. W. A. Lyon asked the Board to have road running from State Road near Maddox to his place repaired. Mr. Lyon was informed that the road not being in the County road system, nothing could be done unless he could get a right-of-way 40 feet wide in which case the road would be accepted into the County system for maintenance.
