

September 15, 1952

Special meeting today as court is in session. Mr. Alvey and Mr. Guy present, all day. Mr. Stone part of the time.

Mr. John Bean reported that his extension of route to Tall Timbers for 8 children- as far as the Pub Sch Bus turns, adds 6 mi per day to his contract, \$156.00 per year making his full contract to date \$11,588.00, \$1158.80 per mo.

Dr. Houser explained in detail the out-patient program for communicable diseases in Health Program. Board authorized him to approve admission of patients from St Mary's County needing this service. Letter to be written confirming his authority.

Clerk requested to write Miss Lettie Dent advising that the road from ShangriLa Dr to the new Pub Sch in Lexington Park will be completed by Nov. 1st.

Oil and Road program to be prepared for 1953 work at next meeting.

Mr. Ted White appearing for Navy in regard to transportation of school children residing on NATC and attending Little Flower or other parochial schools. This was done last year by the Navy at a cost of \$649.70. Mr. White feels if the County will pay for this service (reimburse the Navy who does the actual transporting) that some exchange value program- perhaps roads may be worked out with the Navy. Mr. White will attend next meeting and report on this.

Sub-Division at Tippet's Road- Park Hall. Golden Commissary requests County take over for maintenance a road they are building. Letter was addressed to the company advising that if the road is built according to SRC specifications the County will accept same when properly surveyed, deed to County prepared and recorded etc. Two copies of the plat were requested for the SRC

Capt Will Clarke reported a road needing repairs.

Letter was addressed to SRC requesting that balance as of July 1, 1952 \$20,847.74 be transferred to Maintenance Authorization

Chapico Public Wharf. Mr. Thompson is to stake this off and also enough road for a turnaround for a bus etc. After the road is staked off Mr. Sol Russell will advise how much he wants for the land. Road will be on building program for 1953

Board remained in session until 1:50 then adjourned.

Approved

Leonard Alvey

President
