

October 27, 1953

At the regular meeting held today all members of the Board and their attorney were present.

Roads.

Mrs. Miller, 7th D. asked that something be done about the road thru Mr. VanWert's farm to her property so she can come in and out this winter. This is a matter of long standing, and the Board feels it may have to condemn enough land to make a 20ft R of W if Mr. VanWert does not become more cooperative. Will work out something as this road serves 5 families. Report at next meeting.

Warren Krumke, asked for reassessment, but Mr. Abell advises he has looked into the matter and feels it is just- assessment is to stand as is.

Board will check over all roads promised during the past year and make their plans for the roads needing attention first;
