

March 1, 1955

Regular meeting was held today with all commissioners and their attorney present.

Members of the Homemakers' Clubs, with Mrs. Paul Hayward, Mrs. Koegle, Mrs. R.J. Byrum Mrs. Theo VanSise, Mrs. H. Clarke, appeared to ask the Commissioners to appropriate \$2,000 to be used for 4H clubs, to pay an asst Home Demonstration Agent. Miss Joy cannot take this work on with her other duties. The population has increased to such an extent here that more clubs could be organized if more personnel were available. 1950 census shows 13,004 farm families in the county, and the women and girls are all anxious to have the training given by the Home. Dem. course. The State will match the County appropriation. Board agreed to take the matter into consideration.

Sheriff came to see about the payment of FiFa. These should be paid for by lawyers when they request the issuance of the FiFa. Sheriff was told to contact Judge Digges and have him issue an order to cover the above.

On the certificates of Dr. Kelley and Bean, Roberta Lyon and Ed Keenan a disabled veteran were committed to Spr. Grove. Keenan had a head injury in the war and is suffering from that.

Piney Point Shores- .2 mi leading from the State Road Board agreed that when road is built according to SRC specifications they will accept same. WMLoker, Jr will have 3 copies of plat made.

CBGreenwell, Clk. Ct. Ct. asked for an addition to Budget for Court- \$5,000 appropriated \$7,000 requested.

Letter written to Unemployment Compensation Comm. requesting they change meeting date to Tuesday or Thursday in order that they use the Court Room and not wait in the hall etc.

Mr. Ed Hellman of Center Gardens, called asking for letter acknowledging the \$4,500 the corporation has on credit in the Tax of their property.

Court House Building Committee, Mr. Alvey, C.B. Greenwell, Judge Digges, J.H.T. Briscoe, W.E. Sterling, W.H. Mattingly, Sr., Hiram Millison. As soon as questionnaires are answered and received here a meeting will be called.

Mr. J.T. Waring was requested to come in about the road in his subdivision.

Dr. Locke, Local Health Dept called to explain about the free vaccine for polio to be given 1st and 2nd graders on request of their parents. Plans must be gotten under way to conduct the clinics- 120 in 6 weeks- and nurses etc., have been contacted to assist. If there is any vaccine left after the clinics are over, booster shots will be given those requesting it- the immunity last for 6 mos. While this is not a compulsory program it is to be hoped that every parent will request this immunization for their children. The program is very comprehensive.

The meeting adjourned at 4 pm after signs for the "No Parking" area in Lex. Park had been ordered. Mr. Herbert Grimshaw came to see about these, and same signs will be used where the parochial school bus stops, as well as the Pub Trans Bus.
