

July 5, 1955

All members and their attorney attended today's meeting.

Gilbert Dorsey, ^{Ma}ech. Md., asked that repairs be made to his road. No action.

Roland Clarke, St. Geo. Isl., asked for appointment to State Roads Commission. He was advised that this is not in the jurisdiction of the Commissioners.

To erect road signs, permission must first be secured from the State Roads Comm.

Asst. Home Dem. Agent. Letter was sent to Mrs. Geo. Spence, Chaptico, Md., president of Homemakers' Clubs, regarding the appointment of an asst. home Demonstration to work with Miss Joy at 4 H work. Bd. advised they would set aside \$2,000 for this year, and asked that appointment be made to a County person, if one is found who qualifies.

Dr. Houser of the local Health Dept., with Mr. Baldwin, State Architect's office called about County receiving Fed. aid for remodelling old Alms House. They advised that after inspection of building it was found too much would have to be done, needing too much money, for the Fed Govt to aid. They felt the building could be used for a privately conducted nursing home, or for nursing personnel.

Sand Gates Pub. Landing.

Question arose as to location and boundary of old Pub Landing at Sand Gates. Plat shows where Govt marker and other cement marker were located, but storms have washed the land away. Property owners are willing to give land for new road, but not along the waterfront.

Tax reviews set for August 8-10-11- at 10 a.m.

Commissioners rescinded their resolution regarding State Roads Commission Bonds, of June 7th and adopted the following Resolution:-
