

January 3, 1956

All members and their attorney present at today's meeting.

Geo Huntt- Mrs. Miedzinski. Mrs M. Saunders.  
Mrs Meidzinski and Mrs Saunders complained about behavior of 2 small children of Geo Huntt's whose mother takes them on the bus she drives. Said children were running up and down aisles and misbehaving very badly-said Mr. Huntt told the children if anyone said anything to them to spit on them. Mrs. Huntt refused to wait a minute until child ran down hill to meet bus two or 3 very c old mornings-much arguing back and forth between the Huntts and the others. Mr Guy suggested that the Miedzinski children ride up in front of the bus and the driver could see how they behaved and if anyone did anything to them. Mrs Huntt was to keep her 2 children on the radiator by her side in front of car. All contractors have privilege of refusing to carry children if they misbehave on the bus. Mrs. Miedzinski asked permission to report if the Huntt children were had again.

J Frank Haley Jr., came with application for assistance from Md State Bd of Agriculture at Deep Creek-have chance to secure watershed. Bd signed application for this assistance, it was approved by the Soil Commission. Mr. Haley asked if the Bd had considered any matters they wanted brought up when the Legislature meets in Jan. He was asked to check into the State School Loan matter and report to the Commissioners his findings. State wants to set up Baltimore as Port of authority on the eastern coast

Robt. Stevens asked if and when his road was going to receive attention. Mr. Guy wants to straighten out all road matters promised etc.

Mrs. Rapp called about reduction in her Budget-she changed the reductions on the administration and GPA, but the total the County approved remains the same. Wants to consider renting Alms House for \$155.00 will look it over.

Re; St Catherine and St. Patrick- Island Creek matter, Army Engrs. all ready to go ahead with project.
