

May 8, 1956

All members of the Board and their attorney met in regular session today.

Mr. Hines of the St. Mary's Beach sub-division, came in about conditions at Grace and Mac's Beach, property adjoining his. Mr. McWilliams had tried to sell his property to Mr. Hines but on the latter's refusal to buy, had threatened to sell to colored people or let them use the beach etc. If this happens it will cause the Hines property to loose value also cause friction between colored and white if they are using the water there. Mr. Hines asked for a Special Deputy to be kept at St. Mary's Beach. Sheriff advises that any of his deputies can reach the beach within 10 minutes after a call is sent in, as they have car phones and the Board is to consider the matter-with no action at present.

Letter was sent to Mr. MC Thompson Jr, authorizing him to open the mouth of DEEP CREEK, 1st Elec. Dist.

Civil Defense requested the use of the Conference room for every Tuesday evening at 8 pm until July 1st-and each 2nd Wednesday until August. This was granted.

Board adjourned at 3 pm

approved

president.
