

June 19, 1956

The regular meeting was held today with all members and their attorney present.

Mr. Tombs of The Enterprise came to ascertain why the Commissioners had a conference with the Archbishop last Thursday -he had heard rumors that if there was integration in the parochial schools here the Commissioners would terminate the bus contracts. He was advised that transportation to parochial schools in this County is mandatory and the Commissioners would not have the power to do this, even if they so desired. No further information was given him.
