

July 9, 1957

The Commissioners and their attorney met in regular session today.

John H.T. Priscoe asked permission for a client to stack pulp wood on public wharf at Bushwood until same could be loaded into conveyance, 3-4 days perhaps. He was asked to secure exact time as this is a public landing and used a good deal.

J. Julius Johnson, County Agent and his staff came in about the room they propose to occupy in the Court House. Presented plans for semi-partitions etc. M.M. Dean was asked to give estimate on cost of work.

ROADS- 3 Notch-Hermanville road, it is understood the Govt. will build part of this road. Mr. Duncan will see if Fed aid can be obtained for the section the County proposes to build about 2½ miles from Wheeler's store.

M.C. Thompson, Jr., asked permission to purchase File Cabinet for Civil Defense for \$87.00 permission was granted.

Clerk was advised chairs left from Court Room could be sent to Fair Grounds for use there, if needed. Capt. Lee later advised they would be most acceptable and asked that they be delivered to the Administration Bldg.

Plans and specifications for the proposed sidewalk and retaining wall at west side of Court House not ready-Mr. Bowles will have them next week, if possible.

Program for Roads 1957-58  
 Scots Neck- Clarke's Landing  
 Queen Tree  
 Laurel Grove to Morganza,  
 Frog's Marsh 1.7 mi

Mr. Bond will determine length of these roads and report July 15.

Miss Dent asked for air conditioning in rooms occupied by Bd. of Education. She was advised Board was unable to install same now. She then asked if the Bd. of Education installed it would the County pay for it later. County unable to do that but has no objection if Bd. of Education installs it at no cost to the County. Date set for interview with Bd. of Education to consider School Bldg program, July 22 at 3 pm

Miss Dent asked that if and when the rooms now occupied by the County Agent are vacated could same be used by Bd. of Education. The colored Supt of schools, his assistant and clerk are coming in and need rooms in the County Office Bldg, and the Bd. of Education is already overcrowded in its present quarters. Permission was granted, and also key to Conference Room in that building to be given to Miss Dent since County Agent will use either the General Conference or Trial Court Room in Court House when his staff moves.

July 15 set for meeting of County Commissioners with Legislative Council at Cobb Island. All members and their attorney will attend this meeting and

will start work at 9 a.m. on that day and leave at 10 a.m.

Board left at 3 pm to meet Lawrence Henderson and others at St. Geo. Island and if possible to meet Jimmy Hines at St. Mary's each at 5 or 6 pm to view roads in bad condition there which County took over 2 years ago.

Salary of Clerk to Supervisor of Assessments raised to \$3,000.00 per year effective July 1, 1957.

Meeting adjourned at 3 pm

approved
