

November 6, 1957

All Commissioners and their attorney met at today's regular session.

Geo. Beitzell, 7th District, Commissioners agreed to accept road for maintenance only- $\frac{1}{2}$ mile.

Health Dept-Budget. Dr. Houser presented the 1958-59 Budget for the County Health Dept. The total is higher than previously, they are asking for an additional Mental Health Clinic, increasing the budget \$600, also increases in salaries. He is interested in the Nursing Home-feels County could build it and let it to a non-profit making organization- no decision-not in budget this year Feels a 25 bed unit would be well for starting, then increase same as needed. Subject will be before the Legislature this winter. Homes in County that take Welfare cases are not licensed-none meet the requirements.

Mrs Marnette Fish and daughter came in about transportation for 5 children on road between St Mary's City and St James, over 1 mi. Mr. Stone will contact Earl Gatto and see if he can run this ^{route} road and not interfere with his time.

Clerk instructed to purchase 2 tables from the State Use Industries and 12 more chairs.

Mr. Stone was authorized to have survey made of Mrs Gasparovic's road and County will pay for same.

The Commissioners met J.D.Bond, Res. Engr at St Mary's Beach to check over the roads and see if same can be accepted for maintenance. These roads were approved by M.C.Thompson when he was Res. Engr but County never accepted them.

Clerk requested write to Md. State Fair Comm, Box 30, Laurel, Md., for passes for races, and ask that Commissioners be placed on mailing list. Was done.

Mr. Nalley-6th D. Nalley-Davis road came to ask when road would be under construction.

Mr. Bond advised that the Finnacom-Melvin Road, Tall Timbers, (accepted some time ago) is a matter of bad drainage, ~~desires a letter to be written by Mr. Sterling for the land owners to sign, giving SRC right to cut necessary ditches at road.~~ ^{indicate} desires a letter to be written by Mr. Sterling for the land owners to sign, giving SRC right to cut necessary ditches at road. ^{indicate}

SRC is about ready to work on the new road in Leonardtwn, but sewage system is in need of repairs before this work is done or roads will have to be cut up afterwards, when the Town repairs the system. A pipe should be laid where the Town and County roads meet.

Distance frm Snow Hill, Md to Bay Bridge is between 90 and 95 miles.

Commissioners agreed to have old Tax List written off the books.

Mr. Tilp had made engagement to meet Commissioners at 3 pm-they waited until almost 4 then left.

Approved
