Mr. Jos. Newlin, Hollywood Shores, Gr. 5-6633 came in about roads being accepted in that sub-division. 300 lots have been sold and 20 houses erected he said- and there are 10-15 permanent residents there now. Mr. Bond was asked to check over the roads and advise if they are properly built, if so Board will accept them for maintenance, if not-then when Mr. Newlin is advised of what is required he will try and have roads put in shape- FHA cannot make loans until they are assured County will maintain the roads. Mr. Newlin feels that as soon as it is known FHA has made loans there, many houses will be built

Mrs. Lillian Ford Smith- R1, Leonardtown, desires to lease the Alms House for a 2 yr period, at \$60.00 per mo she will make repairs necessary to windows-if material is purchased to put furnace in order her son will do this work for nothing. Later would like to lease the farm also but that is now rented to Bell Brothers at a flat yearly rate of \$300.00 Mrs. Smith to be advised the house cannot be vacated until after January 1, 1959. Mrs. Smith is a nurse at St. Mary's Hospital and will occupy the house with her family and that of one son. Letter to Mrs. Smith advising her of the above and asking if it is satisfactory to her.

Short Executive Meeting held with Ralph Chesser and Larrie Millison-

Complaints from Mrs. Chas. and Mrs. Henry And Mrs. Otto Trossbach, also Mrs. Shorebach about the Louis Trossbach road. Road is winding narrow road, children have to walk to bus and get in ditches when cars come by Road is on list to be rebuilt, but something must be done now. Ask that top be cut from hill so road is visible on other side. Bushes to be cut. Earl Gatton was contacted to ask if he could carry the children in his station wagon to school-this would mean an extra trip from his home to the road- same was not allowed as would mean 12 mi per day

Planning & Zoning Commission asked if bonds posted for roads in Hollywood Shores (Formerly Oyster Harbor) and sidewalk in front of hotel at Ex.Pk on Tulagi place.

Letter from J.H. Juneman-(J. Archie Meatyard) about paying Special Taxes on property at Tall Timbers. Mr. Juneman says he dedicated streets there to County Commissioners in 1925 and he refuses to pay taxes on them 8 front streets and 7 rear streets, 25ft wide. Mr. Sterling will try and locate deed for these streets.

Mr. Bond reported that the Public Dump in the 7th District is beyond further use- should be blocked off and another site leased. Dump at Clarke's Landing now in better shape.

Board of Education-Mr. King, Mrs. Hayden and their attorney Wigginton came in about balance from State School Loan still available \$175,000.00 Commissioners signed the request They plan to complete Margaret Brent, 7th D school and enlarge Mech school which is badly overcrowded. (build a)

Board discussed sewage problems in Patuxent Park with Mr. Bond-this is a very expensive problem but menace to health- will take it up at next meeting.
