

December 8, 1959

The County Commissioners and attorney with their Administrative Asst. were in session today.

Sen. Walter Dorsey and Henry Russell came to ask the Commissioners' assistance in having Mr. Russell appointed to the position occupied by the late Edmund Flowden Bd. informed them that this appointment was made by the State R.C.

Marguerite Gass came to complain about the high taxes placed on her new dwelling. Her old home burned down in April and she had only been living in the new one since Oct. Mr. Abell and Mr. Herbert were present at this time and explained that altho taxes were paid in full on the old dwelling they could not be refunded. In order to reduce the taxes on her new home it will be placed in a different classification.

Shrf. Miedzinski came to ask permission to secure additional assistance in solving the murder of Mrs. Henrietta Regan. This was granted. Commissioners will be responsible for board and lodging for the investigators sent down by the State.

Mr. R. King, W. Henderson, Harry Ocker, A. Rysticken and Miss Mae Russell of the Bd. of Educa. and Sen. Dorsey came to ask the Board to approve a football program for Great Mills High School it is felt this will to some degree curb juvenile delinquency. Bd. gave their approval.

Jr. Raley, SRC came in about R/W on the Whirlwind-Happyland-Yost roads, so they can be widened. He will secure these

Letter to be written to SRC asking for sign "35 MPH" on St. George Park Rd.

Letter to Chas. Fenwick, VP and Mgr of the County Trust Co, who asked that account in that bank be reopened. He was advised this was closed on recommendation of County auditors, and the Bd will consult with the auditors about re-opening the account when they come in Jan.
