

January 5, 1960

The first meeting of the New Year found all officials present.

Mr. Allan Mattingly of the 7th asked if the road in his sub-division could be taken over by the County before it had been surface treated. He was told it could be done provided a SRC test showed it was built according to their specifications and a Performance Bond is furnished that the surface treatment will be applied. He will be advised of the report from the SRC on result of test.

John Cooper, Ridge Md., asked transportation for his children who attend St. Michael's paro school- they have been crossing fields where cattle are kept, grasses are wet in morning bus can come down County road to entrance to his property- this would make an extension of .065 mi or 2.6 mi per day commencing Jan 11- Gatton's Jan check will be increased by \$5.20- all other months will be \$7.80 extra. My children also live on this road and Earl Gatton says he can pick them up at the same time.

Geo Sanger came in about additional expenses for the time he is working on the Ragan murder-he was allowed \$ 60 per week -we will withhold all taxes- commencing Dec 5, 1959 until the case is solved.

G. Alex Hebb came in to assign his paro school route to Leona G. Hebb(his wife). This was approved by the Board.

SRC- Jr. Haley came in to discuss roads in general in the County and to advise that gravel had been placed on the Thos Harden road. Letter to Mr. Harden advised him of this

Board adjourned at 2:30 pm

approved
