

January 19, 1960

All the Commissioners and their officials were in general session today.

Chas. E. Wood of Compton, Md., reported a blind spot on the road in front of the Court House. He was advised this would be taken up with the State Roads Commission for repairs.

Chas. Wood, St Mary's City came again about an entrance to his property. Estimates will be secured for 2 proposed roads and the matter taken up with the State Roads Commission.

Harry Lancaster, Trial Magistrate, came to request increases in the salaries of his employees-

Bernardine Combs, from \$1200.00 per yr to \$1800.00 per yr

Louis V. Hammett " 1600.00 " " " \$2000.00 " "

Mr. Lancaster feels the additional fines etc., collected by his office warrant this request for increased compensation as the work has more than doubled recently.

J. Douglas Bond, SRC was requested to check to determine if a 30 Mile Per Hr sign is needed at Spring Ridge Rd, 8th Dist and also if a STOP sign is needed at Tippetts Landing Road, 8th Dist

Mrs Francis Harris and Mrs Harriett Young asked that the County accept the road into the sub-division where they live at Oakley- 7th D- SRC will check on this and Commissioners will advise of the results

Delegate Frank Combs and Sen. Dasey came in for a short discussion on Coin operated machines.
