

January 26, 1960

When the Board, Administrative Asst and attorney met today Dr. Houser came in to request that letters be written to Sen. Dorsey and Delegates Combs and Fowler asking that they vote in favor of eliminating Case formula-Emergency Minimum Budget for the local Health Dept. Should this Bill become a law the County share from the State would be 2%, instead of 79.3%. Any increase in the Budget would reduce the County share.

Dr. Houser presented his Budget request for 1960-61

Louis Mattingly was in about slot machines- List to be sent him showing all who make required reports-as well as list showing delinquents. This was done.

Mr. Sakron came in about advertising propaganda to attract tourists to St. Mary's City

SRC- Mr. Bond was in and he was instructed to discontinue all work on new dump sites Letter to be sent SRC requesting that the 30 MPH zone which begins at the Great Mills Rd be continued to include short distance beyond Holy Face Church.

Mr. King, Bd. of Educa came in to discuss the amount he had requested for Teachers' increment.

Board adjourned at 4 pm

approved
