approved

Leonard S. Haley

president

April 12, 1960

Letter to A.L. Kessler, Ridge regarding securing Bldg permits, and amount party can be fined for building with such permit-

S.T. Biddle, whose dog was reported to have bitten 8 children in the Lex. Pk area and Elliott Weismann whose child was bitten by this dog- appeared as requested to decide what should be done- Mr. Biddle agreed to dispose of dog.

Attorneys for Charles-Calvert and St Mary's met on the matter of the Animal Shelter- and prepared an agreement which, when approved by the Commissioners of the 3 Counties, will be sent to the Humane Society. The St. Mary's Commissioners approved of the agreement.

SRC- JDBond and Jr. Haley came in about road matters.

Ronald Dillehay road needs gravel- will be taken care of.

New trench for Public dump at Ridge will be prepared when ground is dry
Blackstone Rd to be gravelled

Jno Stauffer, pipe will be installed at entrance to property

Geo G Smith- with signed petition from property owners -Luke Mattingly road, near $\frac{1}{2}$ Bone Pt off Forest Landing Rd- bad drainage problem

Mr. Smith will contact property owners and if they are willing to give additional 10 ft of land SRC will reconstruct same wide enough for 2 cars to pass, also to have proper ditches & shoulders- if additional cannot be secured SRC will grade the road and clean ditches to insure proper drainage.

Commissioners will meet with SRC officials and Senator and delegates May 5-6 and lunch on May 5

Board adjourned at 3 pm

approved
