SRC

1. SRC Bailey, M.C. Thompson, Jr, Dist. Engr and Jr. Raley County Res. Engr met to discuss and approve entrance to property of Chas. Wood, St. Mary's City. Mr. Thompson advised that the SRC will purchase R/W from John Lancaster for \$2,500.00, price Lancaster requested, County will pay \$1,250. of this amount, and SRC will build the road to---gh Mr. Wood's property.
2. Classification of SRC employees in this County, and those in the Emergency Control office, as required by recent legislation, - Mr. Thompson has been working on this and expects to complete same in near future.
3. Mr. Thompson and Jr. Raley informed the Commissioners that 9 men would start work August 16, on County roads -they had been selected earlier and had to be cleared by the SRC.
4. Sen. Dorsey and Henry Russell came regarding Mr. Russell's interest in being made foreman of the 4th Dist. Commissioners and Mr. Thompson informed them that SRC does not have enough laborers to create a crew in the 4th Dist. They have a crew in the 5th D and the 7th D. Sen. Dorsey read a petition with 150 names signed, requesting that Mr. Russell be made foreman of the 4th D. Commissioners further explained that all County Road employees are hired and fired by the SRC and the only way to have a crew in the 4th D. would be employ 4 to 5 additional laborers and SRC does not think this is possible at this time.
5. Willows Rd to be estimated by Jr. Raley in the fall. This is now a Fed. aid road and will be set up for construction in the summer of 62. Jr, will be sure the R/W of 50 ft. has been secured, which is necessary due to heavy traffic on this road.
6. Copy of program for \$103,000.00 to be refunded when Bond series 8 has been sold. Check in the amount of \$46,344.41 advanced to SRC program, on file for which these funds are to be used.
