

October 3, 1961.

All present today.

J Louis Mattingly made a progress report on his work checking Bldg permits and licenses for slot machines and Trailer Parks.

U.S.Navy Surplus property, Lex.Pk desired by the County was discussed by Dr. Houser representing the Health Dept; Mrs. Daugherty with Messrs Hall and Fahenstock for the library. Comm. Hodges had been assured by Capt Vose that his legal staff would assist in this project. It was agreed that when application is made for the Community Bldg parking space for the Health Dept and library should be included. Bd. of Educa will have other parking space.

Letter to be sent to Mr. Dollarhide, H.E.W. advising that Mr. Tilp had been selected as architect for the project, and send the former copy of all final plans.

Rep. Lankford will be here Oct 5 and the Commissioners will meet him and discuss this project.

Elmer Norris and Elmer Bailey, on Waterloo Rd, 7th D informed the road is in bad condition. Rd. will be gravelled before winter if possible.

Discussion of the Long, Gardiner and Hill Rd- known as the Maude Gardiner Rd. at Chaptico. Group on this road understood it was to be rebuilt. Jr. Raley informed them the road is being gravelled for winter, and is on the 1962 program for rebuilding.

Jr. Raley brought in the final list of roads which complete Project 94 for this year's work.

Mr. Tilp was asked to prepare plans for Library and Health Dept to use Community Bldg., with parking space for both.

Mr. Russell, in charge of Naval Housing was contacted and permission secured for Mr. Tilp to inspect the Community Bldg. After the latter prepares tentative plans he will contact Library and Health Dept and after he meets with them will meet with the Commissioners later.

Francis Yowaiski reported that 13 children are walking from S.M.Academy to Fr. Andrew White school. This is unsafe as road has heavy traffic Mr. Hancock was asked to carry these children to Fr. A.W.shcool and advise the Bd. of extra mileage.
