All officials present.

Mr. Vain, R/W Dept for SRC brought contract for the purchase of land from Joh Lancaster, Sr for R/W thru the Lancaster property to entrance of Chas. Wood's property. The contract calls for 1/2 cost to be paid by County \$1250.00 and half by SRC. Contract was signed by Mr. Alvey and check for the half of cost was drawn by Treas. to SRC who will build the road.

Map Dept. of SRC representative will be here Tues Nov 14, with map, showing second leg of road from south of New Market to Half Way House-R5. Luncheon meeting at Hill's Club, at noon Tues Nov 14, with SRC representatives and County Commissioners, as well as Sen. Forsey and Delegates Combs and Fowler to attend.

Sen. Dorsey came in with J. Parran Farr about the latter being short of time and taxes to make him eligible for So. Sec. Comms. advised they knew of no openings at this time for Mr. Farr and suggested he contact Bd. of Educa. ^{also ask Mrs. Hughes if new amendments to So Sec laws would effect his status.}

Trailer Park Laws:- Messrs. J. Ralph Abell, Wm. F. Herbert and J. Louis Mattingly came in about the interpretation of Trailer Park Laws. There are 2 trailers on a farm- tho far apart; also Orville Brown at Redgate, with trailers, is promoting a possible purchase of land under contract of sale; Mr. Abell asked if he will check on these trailers, with a view to this becoming a Trailer Park with necessary license. The Tax office will pick up all trailers not in Trailer Parks.

Mr. O'Neill Pres; Mr. Dow and Mrs. Harold Hodges, representing Golden Beach Citizens Association came with several problems relative to that sub-division

1. Police; asked if they could have Dept. Shrf for that area; were advised they already have one- Ben Burroughs, Jr and traffic matters are handled by State Police;

2. Want signs 25 MPH- they were advised 30 MPH is lowest SRC approved; Commissioners felt they could erect any signs except 40MPH; and for this must secure approval of SRC. J.D. Bond will check on this and informed them the County Commissioners cannot erect any signs without securing approval of SRC
3. JDBond (who is taking place of Jr. Raley while the latter is hospitalized) will check on these roads as to their condition, also advise what speed limit signs can be secured for Golden Beach.

3. Cutting Grass at corners and side of road; Commissioners explained County can only cut grass on R/W back as far as ditches go. JDBond informed that if the grass can be cut by a mower SRC will send mower up to do this.

4. Group feels Fire Tower should be erected in northern part of County This comes under the Dept. of Forests and Parks-not Commissioners.

5. Permanent Mosquito Control- they were advised to contact Dr. Langford Md. Univ. on this matter.

6. JDBond will check on bad turn in road considered dangerous; he will report on this.

Atty. Chas. A. Norris, representing Civic Association of Hollywood Shores presented a Petition signed by 45 taxpayers of this area, advising that County road, extending from SRC 235 westerly to Hollywood Shores (Jones Wharf Road), in very bad condition. Commissioners advised they will keep the road usable in the winter and reconstruct it in 1962. In a letter from Mr. Eugene Cullum he had advised the road was 30 ft & ok; R/W plans have changed since Cullum's letter and wider R/W is now needed.
