

January 8, 1962

Mr. Robert Brown, Director
Bureau of Environmental Hygiene
State Office Building
301 W. Preston Street
Baltimore 1, Maryland

Dear Bob:

This will confirm our telephone conversation of last Thursday regarding the hearings for the two proposed sewage lagoons.

We will meet the County Commissioners and the people from the Aviation Yacht and Country Club at 10 a.m. Tuesday, 16 January, in the Commissioners' Hearing Room in the Court House. At 1 p.m. the Commissioners will hold a hearing regarding the proposed sewage lagoon of the Patuxent Water Company, and I will notify all interested parties regarding this meeting.

I am also writing to Mr. Manning and inviting him to be present.

Very truly yours,

Alan D. Houser, M. D.
Deputy State Health Officer

Major Terrill Brazelton
Aviation Yacht and Country Club
Chaptico, Maryland

Dear Major Brazelton:

On Tuesday, 16 January, at 10 a.m., the County Commissioners of St. Mary's County and the State Department of Health will conduct a hearing regarding the proposal of the Aviation Yacht and Country Club to construct a sewage lagoon.

On behalf of the County Commissioners of St. Mary's County and the State Department of Health I invite you and any of your members or representatives to be present at this hearing. The hearing will be conducted in the Conference Room of the County Commissioners in the Court House at Leonardtown.

Very truly yours,

Alan D. Houser, M. D.
Deputy State Health Officer

Mr. Joseph A. Manning, Director
Tidewater Fisheries Commission
State Office Building
Annapolis, Maryland

Dear Mr. Manning:

The County Commissioners of St. Mary's County have scheduled two hearings regarding proposed sewage lagoons in this county. At 10 a.m. on 16 January they will have a hearing regarding the proposal by the Aviation Yacht and Country Club, Chaptico, Maryland.

At 1 p.m. the same day a hearing will be conducted regarding the proposed sewage lagoon for the Patuxent Water Company, Lexington Park, Maryland. It is the Patuxent Water Company who propose to discharge chlorinated effluent into Hilton Run, which empties into the headwaters of the St. Mary's River.

On behalf of the County Commissioners and myself, we extend an invitation to you and any one you care to bring from your department to be present at these two hearings.

Very truly yours,

Alan D. Houser, M. D.
Deputy State Health Officer
