

February 13, 1962

All present today.

Letter received from Walter B. Downs, V.P. Holy Angels and Sacred Heart PTA, advised that organization had set up a committee to question the parents and look into the matter of over loading of school busses, bus schedules and general concern of safety etc. They also desire to have this committee appear before the County Commissioners and present findings. Commissioners agreed on this, and will be interested in hearing the final report on the above subjects.

Commissioner Hodges left at noon on official business.

Jr. Haley came in for general SRC discussion. Received a check from the Commissioners for \$4,000 for repair of wharves at River Springs & Bushwood.

Commissioners adjourned at 3 pm

approved
