

May 8, 1962

All officials present.

Group from Commission on Youth, Dr. Houser, Rev. John Chapman, Jack Lancaster, and Betty Wilson, acting secretary to the Commission on Youth, asked the Commissioners to have a co-ordinator of activities appointed to work with the youth at playgrounds, recreation areas, etc. They would need \$6,000 per yr for salary and \$1,200.00 per yr for travel. The County Commissioners advised the group they could secure the services of a co-ordinator for trial, for 3 months, not to exceed \$2,000.00 for that period.

Notice sent to both County papers County Commissioners will not meet May 15, but will meet May 22 and 29.

Sen. Walter Dorsey requested that ditches on sides of road at Piney Pt Shores be provided. He was advised this is in the 1962 schedule.

Jr. Raley was given check in the amount of \$33,375.90 from Special Roads Acct

Mr. Thompson and Commissioners went over the bids for the crawler shovel and contract was awarded to the Chesapeake Supply and Equipment Co.

Applicants for position as switchboard operator received from
