

Tuesday June 26, 1962

Meeting was called to order by Pres. Leonard S. Alvey. All officials were present. Minutes of previous meeting were approved as read.

Refuse Disposal Site-Clements, Md

Mr. Hartwell, local Health Dept., was requested to inspect the new disposal site at Clements, Md., and report back whether or not it is satisfactory.

Licenses and Occupancy Fees-Trailer Parks.

J. L. Mattingly, special inspector, reported that he had contacted both Willard B. Long, Sr., prop. A & W Mobilehomes, Calif., and Hiram Millison, prop. Cedar Park Trailer Town, Tex. Pk. Both agreed to bring their occupancy fees up to date and purchase license for 1962-3 prior to July 5- if not action is to be taken.

Bldg. Site- Patuxent Beach,

Inspector Mattingly also visited the building site at Patuxent Beach where John H. Smith is erecting a dwelling. Bldg permit #2445 issued Jan 1962 was purchased for one size building and it is contended that the building now being constructed does not comply with this. Mrs. Gibson has a copy of the Bldg. Permit. She was asked to have the Planning and Zoning Comm. call Mr. Smith to come before it at their next meeting to explain any irregularities underway. Letter written to P/ & Z Comm on this.

Mr. Mattingly then discussed his other duties.

Division of Room -Tr. Mag. Court area

Shrf. Miedzinski asked if the large room in the Trial Court area could be divided into 2 or 3 small rooms to be used for conferences. He was told to inspect the offices on the 2nd floor used by the County Agent to determine whether or not these size rooms would be satisfactory for his purpose. He will report back at an early date.

Roads

Jr. Raley reported the present County road work is progressing satisfactorily. Check #6507, Special County Roads Acct was drawn in the amount of \$45,225.47 to the order of the State Rds. Comm., to be used for Construction and repairs of County roads.

Special Meeting-Civil Defense- re Municipal Bldg.

At 3 pm the following (who had been requested to attend) arrived:
Gen. Hume Peabody-J. Frank Raley, Jr- F. Elliott Burch-Wm. George- Clarence Ridgell- J.W. Bowles- John Hanson Briscoe- all County officials-elect, *Nominating Candidates*
and M.C. Thompson Jr., Director of Civil Defense for this area and Mr. Fred Tilp, architect, met with the County Commissioners to further discuss the proposed new Municipal Bldg. Mr. Thompson again explained the need for the new building (rather than repair the old jail) which can be used for necessary quarters for Civil Defense equipment., offices for County Welfare and other other officials and County Government. Mr. Tilp explained that several of the rooms could be used for other purposes if metal partitions are installed which could be removed if required. Discussion followed- all were of the concensus of opinion that the 1st step should be taken- employ Mr. Tilp to proceed with plans
have Mr. Thompson make proper application to Fed and State Civ. Def authorities for assistance in the project.

Charge of \$3,000 for the plans was approved.

Proper RESOLUTION on above to be prepared by Atty. Sterling.

Meeting adjourned at 4:30 pm

approved
