

September 4, 1962

All officials were present at today's meeting.

Judge Dorsey requested an amplifier be placed in the Court Room from the Witness box. He was advised by the Commissioners that at this time they could not grant this request and suggested that he discuss this matter later with the Commissioners who take oath of office in December 1962.

Paul Sutphin of Hollywood, Md claimed \$75.00 for his calf which he thought had been killed by dogs. Commissioners agreed to pay him \$25.00 provided he would accept same in full settlement for the calf. Mr. Sutphin agreed and accepted the check.

Roads.

Mrs. Justin R. Sypher, Jr., requested that the Commissioners accept the Sypher Road, 8th Elec. Dist. and place it in the County roads system for maintenance. Atty. Sterling, and Dennis Raley, Jr of SRC will check on the road and report Tues. Sept. 11. as to their findings.

Mr. Raley reported that the work on County roads was very satisfactory.

Map of Greater Washington, Baltimore and areas. Mrs. Gibson introduced Mr. Philip Hogue, representing the firm producing the above maps, and the latter requested certain information regarding this County. Commissioners informed he could secure this information from the Planning & Zoning Commission, and the Economic Development Commission. They asked if Blackistone Island and across the lower part of the County to the Bay, down to Pt. Lookout could be included. Mr. Hogue will see if this can be done and when the map is completed will present one to the Commissioners.

J. Louis Mattingly, Inspector was in and the Commissioners requested him to check each Trailer Court every month and then make a report to this office. This he agreed to do.

Letter to Hon. Richard E. Lankford, responsive to his telegram about a meeting with the Commissioners, informing him any Tuesday, Oct 2, 9, 16 or 23, at a time most convenient to him, they would be glad to meet with him in their office. On receipt of information as to date and hour, the Commissioners will contact several groups in the County who, they feel, would be interested in the discussion.

Signs for Town Creek roads area. Letter was sent to Atty. Arthur Rysticken Pres. Town Creek Citizens Asso., advising him the signs and posts for the Town Creek area are ready to be installed. The bill for the signs and posts will be mailed to Atty. Rysticken within a few days. However, installation of posts and signs will be done by the SRC without charge to the Association.
