Meeting convened at 1:30 p.m.

Land Use Maps

The Commissioners reviewed letter from the governor requesting that land use maps be withheld from the Hungarian government, as requested by the Secretary of State, and agreed that this should be done. Letter will be sent to pertinent county agencies asking them to comply with this request.

Ekroos

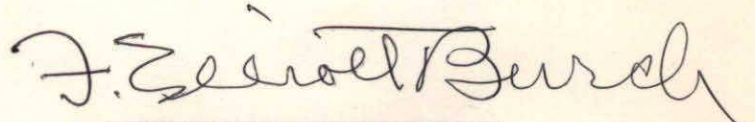

The Commissioners approved payment of \$70.00 to Ekroos Art for picture framing and preparation of the county seal which has been hung in the new Lexington Park Library.

Slot Machines

Mr. J. Weiner and Mr. Williams discussed with the Commissioners the matter of storage of the machines. After telephone conversation with Mr. R. McDonagh of Charles and Mr. J. Wilmer Gott of Calvert County, the Commissioners decided that the owners would be allowed to store the machines in a place approved by the Commissioners, and then this building would be sealed and the machines disassembled and made inoperable. The storage places will be under the supervision of the states attorney and the Commissioners. Sheriff Burroughs came into the meeting and was asked to handle the matter of storing the machines and arrange to meet with the people who will be storing the machines. Statement was prepared and given to Mr. Weiner to answer requests from any owners of slot machines who want the county to store them.

Meeting adjourned at 4:55 p.m.

Approved,
