PEPCO - DOUGLAS POINT NUCLEAR POWER PLANT SITE

Present: Hal Stroube, PEPCO  
 Rosalie Stroube, PEPCO  
 Christie Selph, PEPCO  
 Carroll Bond, PEPCO  
 Ben Strange, PEPCO  
 Virginia Meads, Economic Development Commission  
 James T. Marsh, Economic Development Commission  
 R. Johns Dixon, Planning Commission  
 Francis E. Hewitt, Planning Commission  
 Barbara Winchell, WPTX  
 Dave Fox, Guardian Review  
 Dick Myers, WKIK

Mr. Hal Stroube, Director of Communications, PEPCO made a slide presentation to the Commissioners at which time he discussed the selecting of a location of a power plant, specifically, Douglas Point, and the various ecological and other studies of the site. Mr. Stroube discussed the construction of a nuclear power plant and upon completion, the operation of the plant.

After the slide presentation, Mr. Stroube responded to questions from the audience.

Christie Selph distributed a package containing information on nuclear power plants, which is one file in the Commissioners' Office.

  
 J. Wilmer Bowles  
 President
