2. Item # 2 New Business

Rob Hetem, Permit #21-0073, Wishes to remove the current electrician, BC Electric from his permit.

Mr. Hetem appeared before the Electric Examiners Board to request assistance on his matter.

A discussion of explanation of the hired Electrician BC Electric did not complete the job he paid for. It was decided that Amber Thompson will contact MDIA to discuss the matter.

The group recommended that Mr. Hetem find a new electrician who will review the work and hire him to complete it and sign off on it.

Suggested that BC Electric appear before Board and discuss the situation and penalty for accepting payment and not completing the inspection.

Infinity Residence LLC, Permit 20-2773 Questions regarding the NEC 2017, section 230.71, maximum number of disconnects.

Neither the Applicants nor the electrician appeared at the meeting.

Motion: Based on information provided from Infinity Residence LLC, and information shared with the Building Code Board of Appeals. A motion was made that they need to meet the NEC 2020 code and an exception will not be accepted.
