### **B. 2:20 p.m. Board Members and Agency Updates**

1. Sandie Greene, staff member reported on behalf of Heather Moritz of the Health Department, "Heather had conversation with MDE regarding our gray water regulation comments. They felt the comments were well thought out and made sense. They were going to make changes to the proposed regulations based on some of the comments, but I have not seen anything since."

2. John Fluhart, member asked the other Board members and staff if they knew who monitored the Cross Contamination in St. Mary's County. Ed Hogan of the St. Mary's County Metropolitan Commission (MetCom) stated that MetCom monitors all public water facilities, they are not responsible for private facilities.

After discussion, Larry Eberhart, Staff representative stated he would check with Heather Moritz of the Health Department and report back.

The members were reminded that a finding can be reported, however discussion via email or in person cannot take place until the next public meeting.
